NOTE FROM THE **DIRECTORS**

Congratulations to all of our incredible students on their phenomenal performances this weekend!

We are so proud of each and every one of you for your dedication, passion, and hard work. This year, you all took the stage with grace, energy, and heart, making it a truly unforgettable experience. Your commitment to your craft shines brighter than the lights of Times Square, and it was an honor to watch you perform with such confidence and skill. Keep reaching for the stars and never stop dancing - your journey has only just begun! We are beyond excited for what the future holds for each of you, and we're grateful to be a part of your artistic growth.

Well done, everyone!

Fondly, Colleen & Rosanne

To our incredible senior dancers,

What a joy it has been to watch you grow from young dancers into such beautiful, strong women.

From your first steps here to this incredible milestone, you've shown dedication, grace, and a spirit that has inspired us all. We've witnessed your passion and perseverance, and we're so proud of everything you've accomplished, both on stage and in life. As you take your next steps, remember that the memories you've created here will always be a source of strength and joy. Infinite Motion will always be here for you. We're so excited for what's ahead for each of you. Keep dancing, keep dreaming, and always know you have an army of support behind you. Congratulations, and best of luck as you continue your journey!

With love and admiration,

Miss Colleen, Miss Rosanne & the Infinite Motion team
